Hesse, K., & Voake, C. (2022). *Granny and Bean*. Candlewick.

ISBN: 978-1536214048

Adult Review:

The story of Granny and Bean and their day at the beach was a sweet tale of a dreary day at the beach. It reminded my daughter and me of the long days we spend at the beach - rain or shine. The reading level was perfect for my 2nd grader with a handful of new vocabulary words present.
